**Helping
Youth
Reach
Their
Academic
Potential**

A Non-Profit Organization

Mission

“To support and sustain students in obtaining a post-secondary degree by offering them the tools, guidance, and resources to realize their full academic potential.”

Objective

Reach out to every youth to empower them to become professionals in various fields to strengthen our community

How we do it

CEF offers these services through partnerships with individual churches by conducting workshops, seminars and career guidance

Vision

- **Aid** high school students to qualify for acceptance into college;
- **Reinforce** their efforts and commitment towards attaining higher education;
- **Acknowledge** students' academic excellence and community activism, and
- **Reward** them with an annual Merit Achievement Award

We can help

- Individual career counseling for students and parents
- College applications and admissions workshops
- Financial aid seminars (tips to qualify for government aid)
- SAT/ACT preparation
- Merit Achievement Awards
- English Literacy
