# March 2024

Subject matter experts share their insights into current events and topics that are important to you.

## AI and your student: the good, the bad, and the ugly

Stay-in-the-know about the AI technologies your children have access to – and what their teachers and schools are doing in response. We'll explore how college and career pathways are being changed by AI now and what's coming in the future.

**Tuesday, March 19**

at 4:00 pm PT / 7:00 pm ET

## Digital SAT, ACT, or No Test? Choosing the right test

What test should your student take? Do they need to take any tests at all? There are no longer universal answers in college admissions. Between testing policies changing annually and the all-new digital format of the SAT, now is the time to equip yourself with the information to build the right college admissions plan for your student.

**Wednesday, March 20**

at 3:00 pm PT / 6:00 pm ET

## Strategic Admissions: College Admissions for UCs and Beyond

Students applying to both University of California schools and test-required schools need to optimize their applications in very different ways. A tailored, strategic approach to college applications is not just beneficial—it's essential.

**Tuesday, March 26**

at 6:00 pm PT / 9:00 pm ET

## How Executive Function skills improve grades and lower stress

In this hour-long interactive webinar, we will discuss effective approaches parents of students who have learning differences can take to maximize their student's academic and executive function skill set, leading to self-sufficiency and independence.

**Thursday, March 14**

at 5:00 pm PT / 8:00 pm ET

## Unlocking the AP Exams

What are colleges looking for when they see AP scores? What are recent changes to exams you need to know about? What are some proven strategies to help your child to prepare for the AP exams? In this webinar we'll share the latest intel on AP exams and answer all of your AP questions!

**Wednesday, March 13**

at 6:00 pm PT / 9:00 pm ET

**Wednesday, March 27**

at 3:00 pm PT / 6:00 pm ET
